Conneaut Port Authority – Oasis Marina Management Services

Conneaut, OH – On Thursday, July 28, 2022, the Conneaut Port Authority (Port) Board approved legislation to enter into an agreement with Oasis Marinas to manage the Port Conneaut Marina. The partnership will take effect in August 2022.

“The Conneaut Port Authority is excited for this public-private partnership with Oasis Marinas and looks forward to enhancing experiences for all boaters, visitors, residents, and employees,” Conneaut Port Authority Chairman, George Peterson said. “Under this new partnership, the Port and Oasis will work together to expand on the quality of service and amenities provided at the Marina.”

Oasis will manage and operate all aspects of the Marina, including docks, boat slips, piers, and all areas, including recreational areas, within the marina. The Oasis staff will be the on-site points of contact, providing high-touch service and adding another level of expertise and boater care to the marina.

“I speak for my Oasis team members in saying how excited we are to bring our first-in-class operational expertise and experience to Port Conneaut Marina. Driven by our commitment to meet the wants and needs of our boaters, while adding significant value to the community at large, we are prepared to elevate and innovate here in Conneaut.” Oasis Marinas Vice President of Business Development, Brian Arnold said.

A privately held marina management company, Oasis Marinas is based out of Annapolis, MD. The company provides marina management services to marina owners, supporting all aspects of the marina, including boat slips, provisions, fuel docks, and the associated contracts with vendors running maintenance services, restaurants, and other business services, such as marina redevelopment and construction. Oasis’ mission is to incorporate a consistent, fun, welcoming, and well-maintained environment in every Oasis-managed marina. Learn more about Oasis Marinas at <http://www.oasismarinas.com>.

Oasis Marinas was founded by a group of boaters with executive expertise in hospitality and technology, dedicated to creating a high-quality experience. The [Oasis Marinas portfolio](#) has reached nearly 50 amazing properties, over 8,000 wet & dry slips under management, and hundreds of RV pads, spanning from the Northeast, Lake Erie, the Chesapeake Bay, the Potomac, the Carolinas, and down the coast of Florida. With the customer experience at the core of their values, Oasis has significantly expanded its reach over the past five years and continues to grow, exponentially.

The goal for Conneaut Port Authority and Oasis Marinas is to deliver high-touch customer service, operational excellence, and professional and welcoming environment.
